- Aetna HealthFund[®]
- National AdvantageTM Program

Improved Hospital Access

Community Hospital and Wellness Center is located in Bryan, Montpelier and Archbold, Ohio; this addition will increase member choice and improve hospital/physician access in this service area. With this addition, Aetna now has 36 participating hospitals in the Toledo, Ohio Network out of 36 total hospitals in this area.

Community Hospital and Wellness Center has three locations. Bryan, Ohio has 75 beds, and 13 bassinets. Archbold has 19 beds and the Montpelier location has 25 acute care and 10 acute rehabilitation beds. All three are now available via a full services contract. The hospital is located at the following address:

Bryan Hospital
433 W. High
Bryan, Ohio 43506

Montpelier Hospital
909 E. Snyder Ave
Montpelier, Ohio 43543

Archbold Hospital
121 Westfield Drive
Archbold, Ohio 43502

Hospital and Physician Directory Information

The Community Hospitals and Wellness Centers will not be included current provider directory. The hospitals are not reflected in our online directory, DocFind[®], as of today. Additionally, the Community Hospitals and Wellness Hospitals will be added to DocFind upon the next scheduled DocFind update following the effective date of the addition. DocFind, located at www.aetna.com/docfind, is updated three times per week, and is the most current source of participating physician and hospital information.
