**July 30, 2008**

Blue Cross and Blue Shield of Texas has announced that John Peter Smith Hospital has now been terminated from their PPO and PAR/Traditional networks as of July 15, 2008. Previously, this facility was to have termed their contract as of March 15, 2008 (see InterPlan Sales bulletin dated March 24, 2008 below). However, in good faith, the provider continued to negotiate and try and work out a contract with Blue Cross and Blue Shield of Texas still accepting payment as an in-network provider.

The reason for this termination now was due to an unresolved contract stipulation. A contract stipulation that had been agreed upon during prior negotiations was not completed by June 15th. Based on this development, the PPO and Traditional agreements terminated effective July 15, 2008.
